A Message from the Senior Class Officers

Amanda, Jess, Derek, Talia & Katie

2014 Class Officers

Class of 2014,

Our journey through high school is coming to an end. Since walking through the doors of Weymouth High for the first time, we all have grown and developed into bright young adults. We have learned valuable lessons to help us in the next stages of life and made friendships that will last forever. Seniors, know that no matter where you go or what you do, Weymouth and the friends you made will always be right here for you. It's great to grow up and move on, but we hope that you look back fondly on your years at WHS and remember the good times we've all shared. People change, but where you come from always stays the same, and the memories will last forever. Just because it is time to move on does not mean it is time to forget.
"We've had the time of our lives fighting dragons with you", long live 2014!
